On behalf of the Massachusetts Credit Unions Social Responsibility Committee, I invite you to be a part of the **Stephen Jones Charity Golf Tournament** on **Tuesday, June 25, 2024**, at **Sterling National Country Club** in Sterling, MA. Your participation is so appreciated and has a great impact in helping to support **A Bed for Every Child**, an initiative of our state charitable partner, the Massachusetts Coalition for the Homeless. A Bed for Every Child helps children to have a place to dream, learn healthy sleep habits, and as a result improve academic performance. The program has the compelling mission of ensuring that all children have a bed of their own, regardless of their families income.

The Stephen Jones Charity Golf Tournament is a day of commitment to help others as it continues to honor the memory of Stephen Jones from Jeanne D'Arc Credit Union who served on the Social Responsibility Committee.

For more than twenty five years, Massachusetts Credit Unions through the generous support of members and business partners have demonstrated a heartwarming commitment donating more than **\$2.9 million** to help tackle difficult problems and maintain awareness of the accelerating challenges of poverty that impact families and individuals. Working together for charity exemplifies the credit union philosophy of "people helping people".

Please consider one of the sponsorship levels listed in the brochure and send a foursome or two to the Stephen Jones Charity Golf Tournament for a fun day of golf while supporting the mission of A Bed for Every Child.

The Committee is working with Sterling National Country Club to create a safe, enjoyable day for all players. If you have any questions, please contact Donna Bevilacqua at dbevilacqua@ccua.org. Thank you for your consideration and generosity. We look forward to seeing you at the tournament!

Help a Child Dream Big in a Bed of their Own!

This past year, five-year-old Charlotte who lives in Southbridge, was among the children who received a bed of their own. Charlotte has been sharing a bed with her big sisters and needed her own bed to ensure a good night's sleep.

Charlotte's mom learned about A Bed for Every Child from her daughter's Kindergarten teacher at a meeting prior to the start of the school year.

It was during that meeting where Charlotte's teacher talked about the importance of building healthy sleep habits for children. Charlotte's mom learned that the correct amount of sleep can significantly impact the growth and development of a child and the right amount of sleep can ensure that a child can concentrate during school.

Charlotte's teacher explained the partnership between the school and A Bed for Every Child in which students in need of a bed could receive one at no cost to the family. Following the meeting, Charlotte's mom spent time talking with her daughter's teacher about receiving a bed for Charlotte and soon after a request was submitted to A Bed for Every Child.

On the day of delivery, Charlotte was at school while her mother spent time setting up the bed with the new sheets, blanket, comforter and books chosen for Charlotte from A Bed for Every Child. When she arrived home after school, Charlotte had the best surprise ever ... her very own Bed! Now Charlotte has her place to dream each night.
