

## The Delaware Advocacy Committee Invites you to attend the **Small Business Caucus Luncheon**

On January 17, 2019 at 11:30 am  
In the House Majority Hearing Room, Legislative  
Hall in Dover, DE

In 2009, Delaware's House of Representatives founded the Small Business Caucus to craft legislation and policy that will help Delaware's small business owners. The bipartisan caucus is composed of 10 representatives who either own a small business or work in one; however, the caucus opens its doors to legislators, county officials, chamber of commerce leaders and business owners to listen to ideas about how Delaware can be a better state for entrepreneurs.

The caucus also advises other lawmakers on the implications legislation has for small business owners. The group also works closely with the Delaware Economic Development Office to help them find opportunities. The luncheon provides attendees the opportunity to meet with lawmaker from their districts as topics of interest to small business owners are discussed.

Delaware credit union CEOs, business lending specialists, and other credit union professionals are invited to attend. Please RSVP to [govfaff-events@ccua.org](mailto:govfaff-events@ccua.org), using the subject of *DE Small Business Caucus*.
