

## 2019 GAC – In the Palm of Your Hand

Are you attending the premier event for political impact in the credit union industry - CUNA's [Governmental Affairs Conference](#) (GAC) in Washington, D.C.? Excited to meet with your Congressional delegation, but concerned that you'll forget important details about the issues facing credit unions today? There's an app for that!

Take the time to download the Association's mobile app designed to provide you with all the information you need to make the most of your GAC experience- in the palm of your hand!

[It's easy to download, too.](#) Just visit the app store for your device and search for "Cooperative CU Association", click install, and then open.

Once we're on your phone (and in your hands!) simply open the app, and you'll see icons that are your gateway to all things CCUA – from Advocacy to Professional Development to Business Services, and more.

Hitting the "refresh" button when you open the app will ensure that you have the most up-to-date information. Keep your app "handy" and use it year-round, as information is continually updated.

Click on the "GAC 2019" icon to access information that will help you make the most of your 2019 GAC experience. Each link provides you with details, statistics, and other useful resources arranged in an easy to navigate format.

Topics and issues include:

- GAC First-Time Attendee Materials
- CCUA Local Activities at GAC
- Information about your Congressional Delegation
- Facts about Important Issues
- CCUA State Profiles and Statistics
- And much more!

**[Be sure to visit often for the most current information](#)**
