Creating Cooperative Power

DE Social Responsibility Committee 2018 Report

Delaware Credit Unions' Social Responsibility Committee members met by conference call several times throughout the summer as they researched changing the focus of their fund-raising efforts throughout the state. After much research, and a lot of spirited debate, the **Boys & Girls Clubs of Delaware** ([BGCDE](#)) was selected.

The credit unions came together quickly to accomplish a "Supply Closet" drive – collecting items used by the after-school program administered by the BGCDE. With 15 Club locations and 27 programs at schools throughout Delaware, the supply closets are always in need of restocking. In less than a month, the credit unions were able to provide the BGCDE with games, coloring books, crayons and markers, paper goods, and much more!

The Committee made an additional presentation in November to Mary Kate Benson, Volunteer Coordinator for the BGCDE, and Julia Durodoeye, BGCDE, Senior Executive Resource Director, in the amount of \$1,555.00.

The Committee is meeting at the end of January to chart the course of support for the BGCDE throughout 2019.

In addition to providing support for the BGCDE throughout the state, Delaware's Credit Unions are actively involved in their local communities they serve through fund-raising activities and volunteer support for many organizations.
