## **DE Social Responsibility Committee Volunteers at BMW Championship on Behalf of the Boys & Girls Club**

**Wilmington, DE. (August 31, 2022)** – Delaware was given the privilege of hosting the 2022 BMW Championship, the PGA tour’s first-ever event in the state, held at the Wilmington Country Club. Approximately 130,000 fans attend the third round, which featured seventy (70) golfers. Tourism officials anticipated an economic boost in the tens of millions of dollars, with hopes that people will return for other events, sightseeing, or just to get a meal. Along with this came the exciting opportunity to fundraise for our state charity of choice, the Boys & Girls Clubs of Delaware.

The Delaware Social Responsibility Committee had ten (10) volunteers participate and work a total of 56 hours. DEXSTA FCU, Eagle One FCU, and Dover FCU all had shifts at the concession stand during the week selling a wide variety of food and beverages. The Boys & Girls Clubs will receive 9% of the total concession sales for the week. We thank our volunteers for their time and dedication during this event.

Holly Swafford, Lindsey Nagowski, and Melissa Scarpitti of DEXSTA FCU and Katelyn Hartnett of the Boys & Girls Club of DE.

Kristina Balun of Eagle One FCU

Zachary Paulson, Larry Swafford, Melissa Scarpitti, and Holly Swafford on behalf of DEXSTA FCU.
