

DiSC® is a personal assessment tool used by more than one million people every year to help improve teamwork, communication, and productivity in the workplace.

A common language

The DiSC® model provides a common language people can use to better understand themselves and those they interact with—and then use this knowledge to reduce conflict and improve working relationships.

Why use DiSC?

DiSC® assessments are used in thousands of organizations around the world, from sprawling government agencies and Fortune 500 companies to nonprofits and small businesses. The reason is simple: DiSC® profiles help build stronger, more effective working relationships.
