Creating Cooperative Power

The Credit Unions of Rhode Island's Social Responsibility Committee is promoting the best tasting Ocean State candy bars from **Sweenor's Chocolates** located in Wakefield, Rhode Island. Sweenor's Chocolates started modestly more than 50 years ago as a home business in Cranston by schoolteacher Walter Sweenor who had learned the trade from his father. Looking to make extra money during World War II, Sweenor started creating sweets in his basement kitchen and in 1955 opened the first retail shop. Since those days, Sweenor's Chocolates is now Rhode Island's largest chocolate manufacturer, is well-known for its quality products, and owned and operated by the third- and fourth-generations.

Walter Sweenor makes candy in the 1960s.

Now, Bill and Brian Sweenor make candy.

Credit unions can help make a Special Olympics Rhode Island athlete's dream of reaching a victory come true by purchasing the finest candy bars for \$1.50 each from Sweenor's Chocolates. *Please note: candy bar size is 1.5 oz.*

Candy will be delivered in the last week of March. Easter is April 4 so plan accordingly for the month of April.

The candy bars are great for sale or as giveaways:
*in lobby areas • at annual meetings • for special product promotions for special occasions (**Easter**, Administrative Professionals Day, etc.) for staff recognition • for member appreciation at drive-ups*

Our credit union would like to order the following bags of 30 bars:

_____ Bags (30) Milk Chocolate	_____ Bags (30) Almond
_____ Bags (30) Crisp	_____ Bags (30) Dark Chocolate
_____ Bags (30) Peanut Butter	_____ Bags (30) Caramel

Net proceeds from candy sales are donated to Special Olympics Rhode Island.

Candy bars must be ordered by March 5th. Candy sales will be held during the month of April. Additional orders may be placed in April.
