

LetMeDolt- Reimagining Economic inclusion

A SNAPSHOT :No Choice **No Right No Independence**

Behind Every Stat is a Person

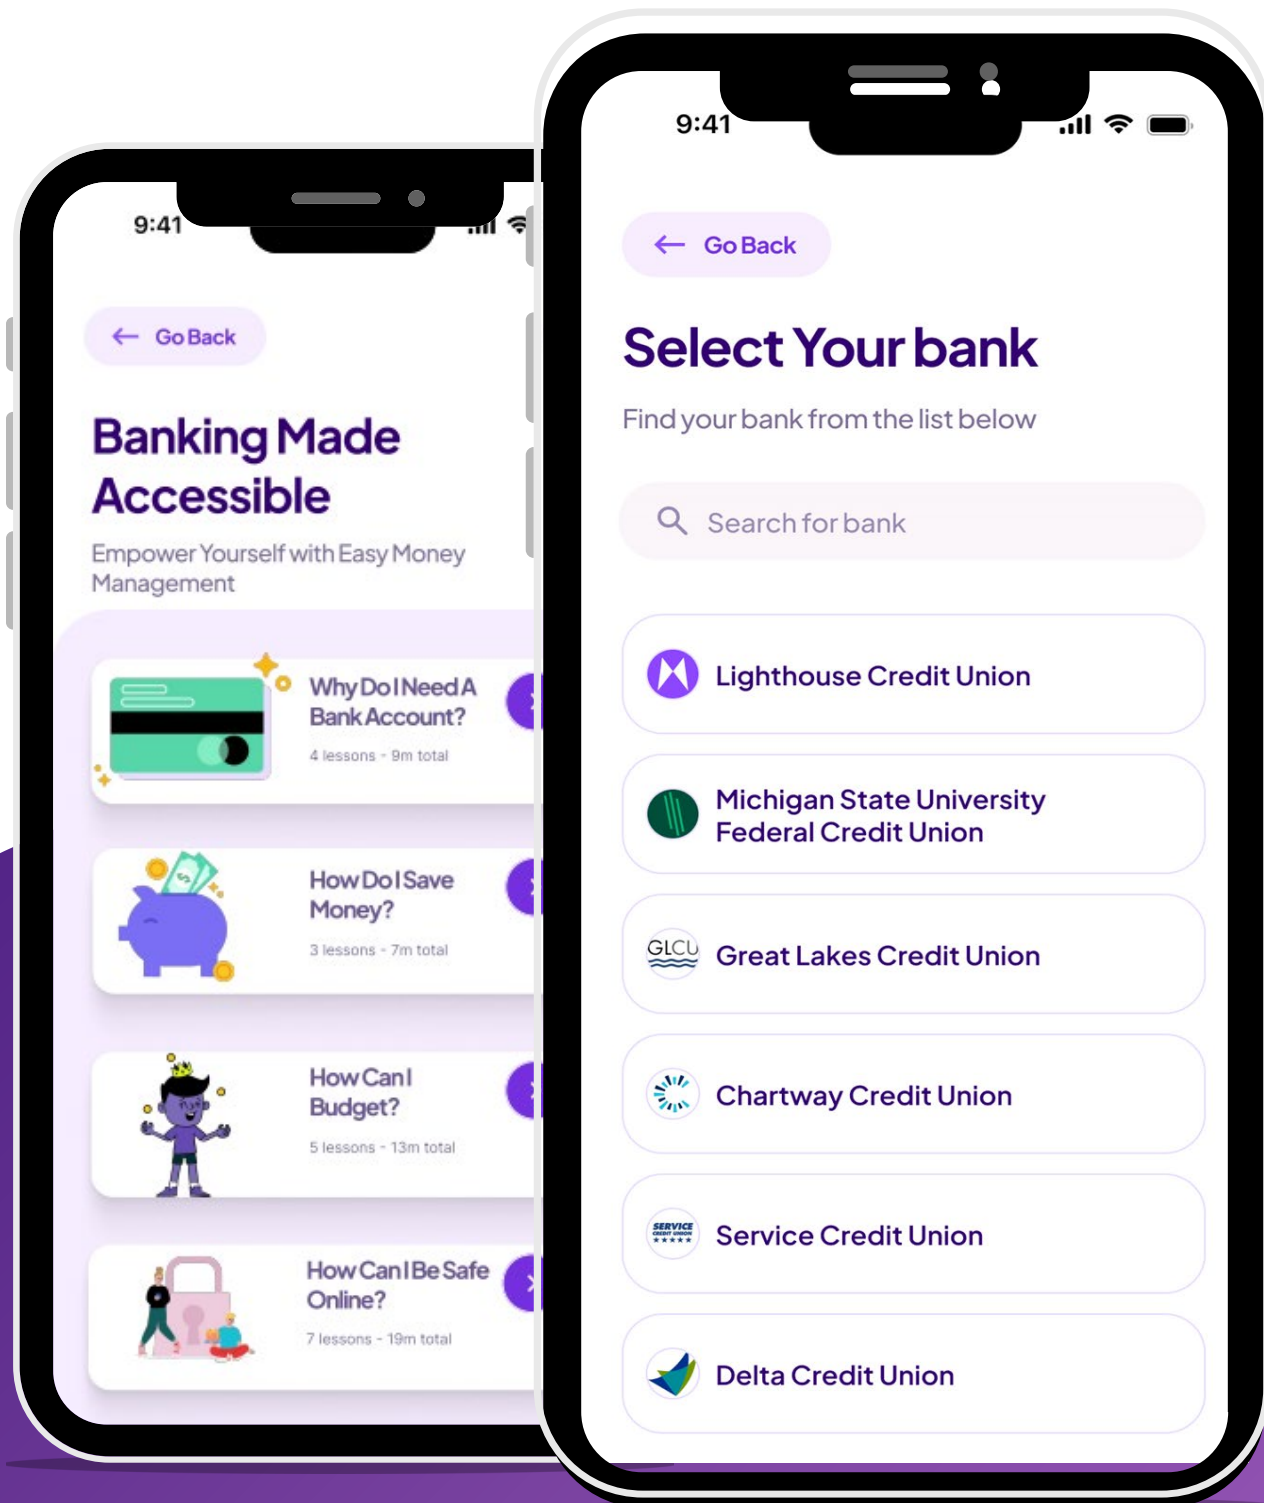

LET ME DO IT

A movement for **choice, dignity,
and autonomy.**

One Platform: Multiple Points of Engagement

In collaboration with our network of support

1. Empower

Decision support platform & community access.

4. Educate

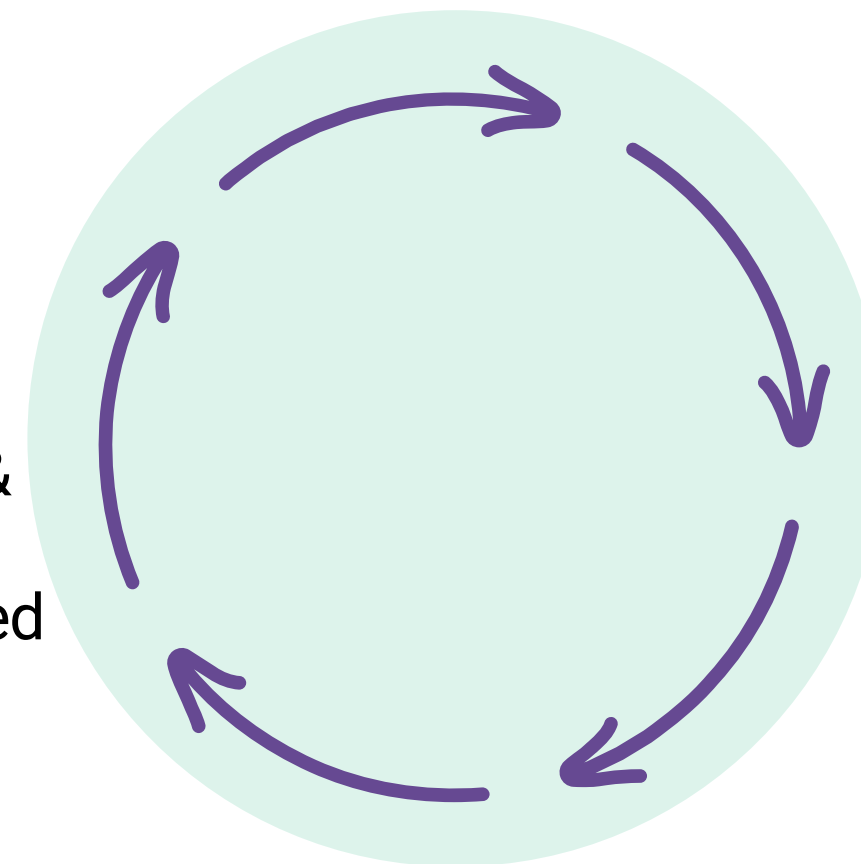

Research, analytics & insights. Understand unmet and underserved needs.

2. Enable

Financial Awareness, Education & Inclusion

3. Economic Engagement

Pathway to long term economic well being

Grocery shopping

AI powered decisioning system

Empowering Independence

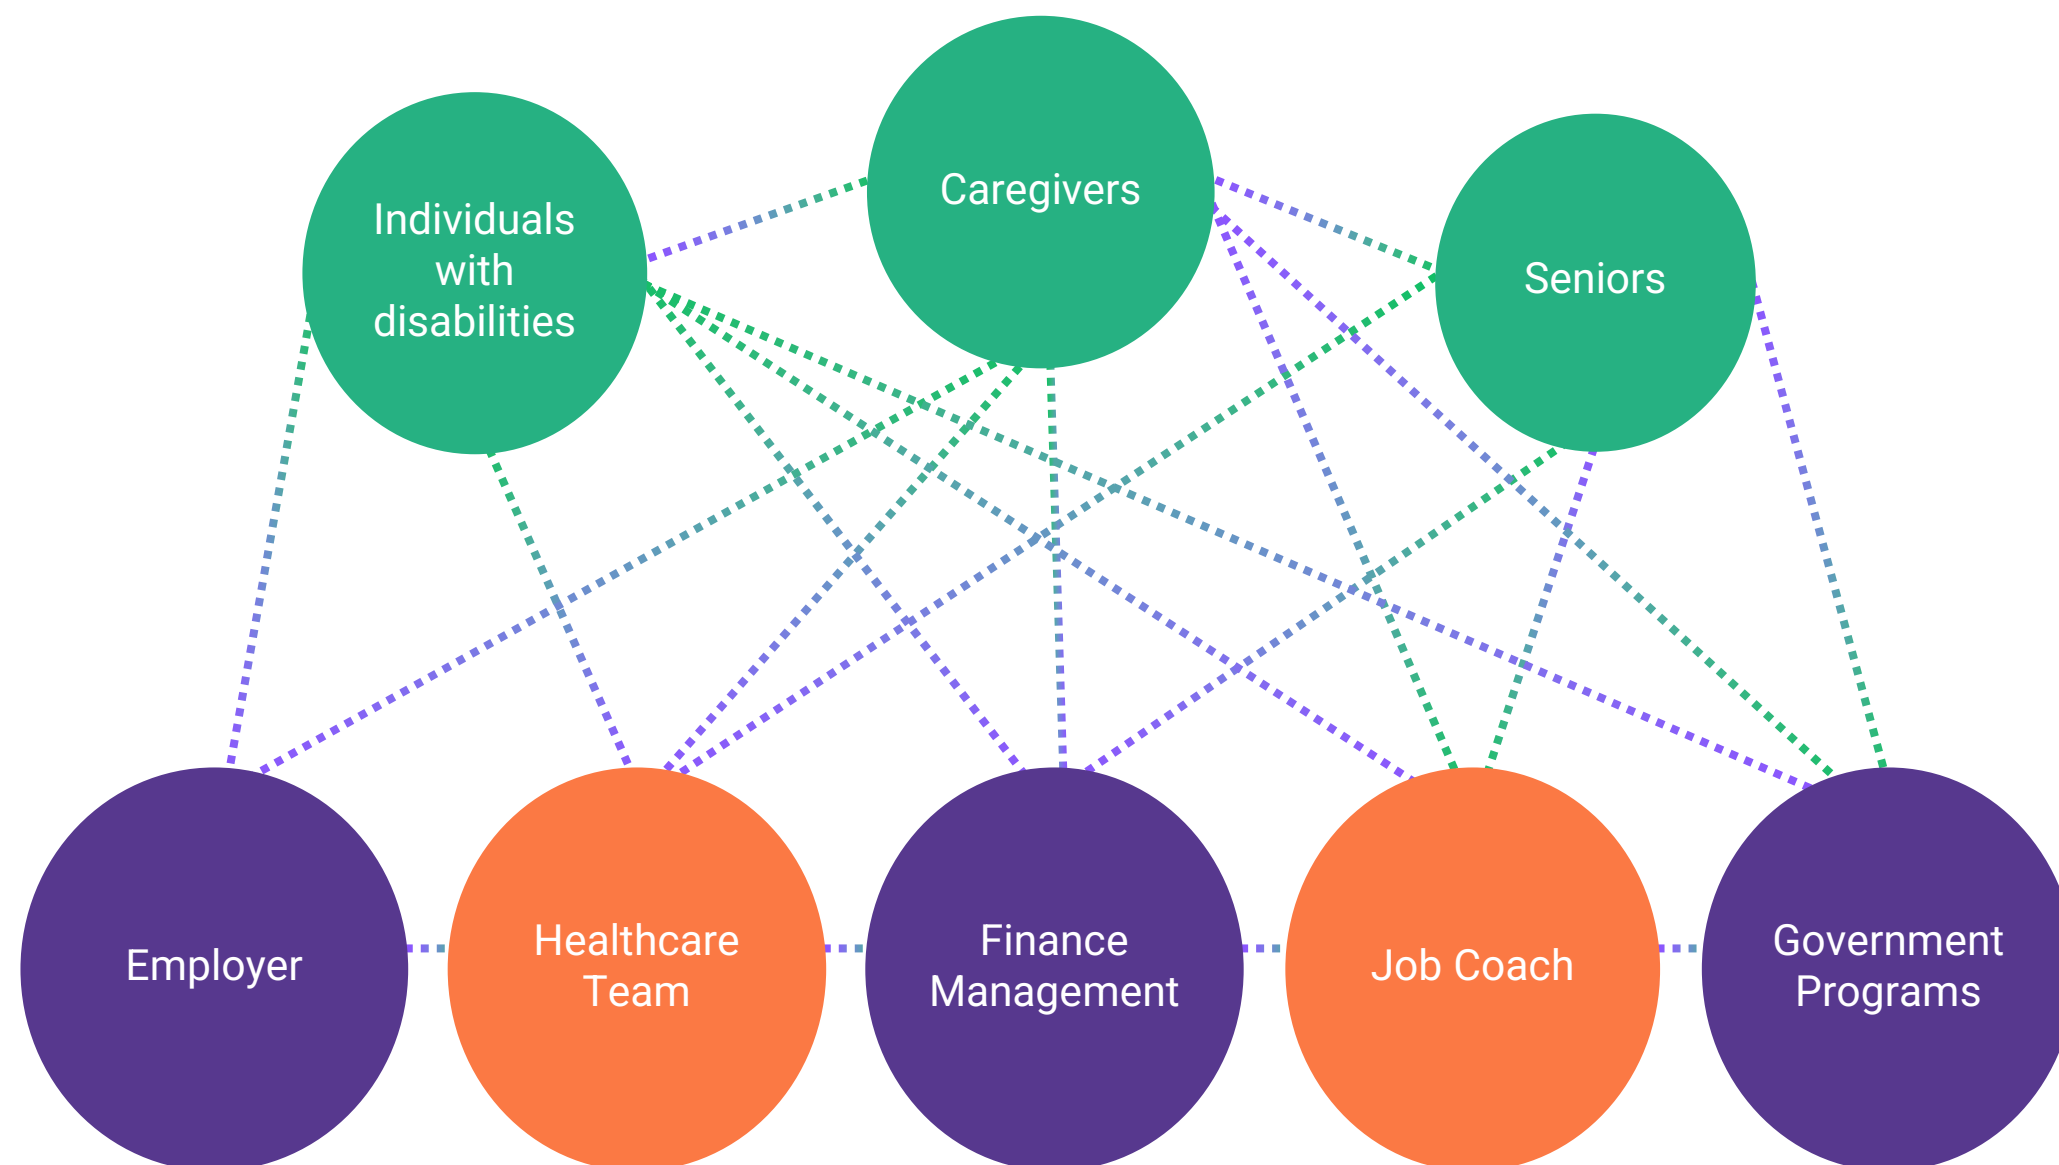

- ✓ AI-powered platform addressing financial exclusion
- ✓ Converts complex decisions into step-by-step actions
- ✓ Developing independent living skills and building confidence
- ✓ From a supervision structure to a support model
- ✓ Focus on efficiency and effectiveness

A solution made for and by our users

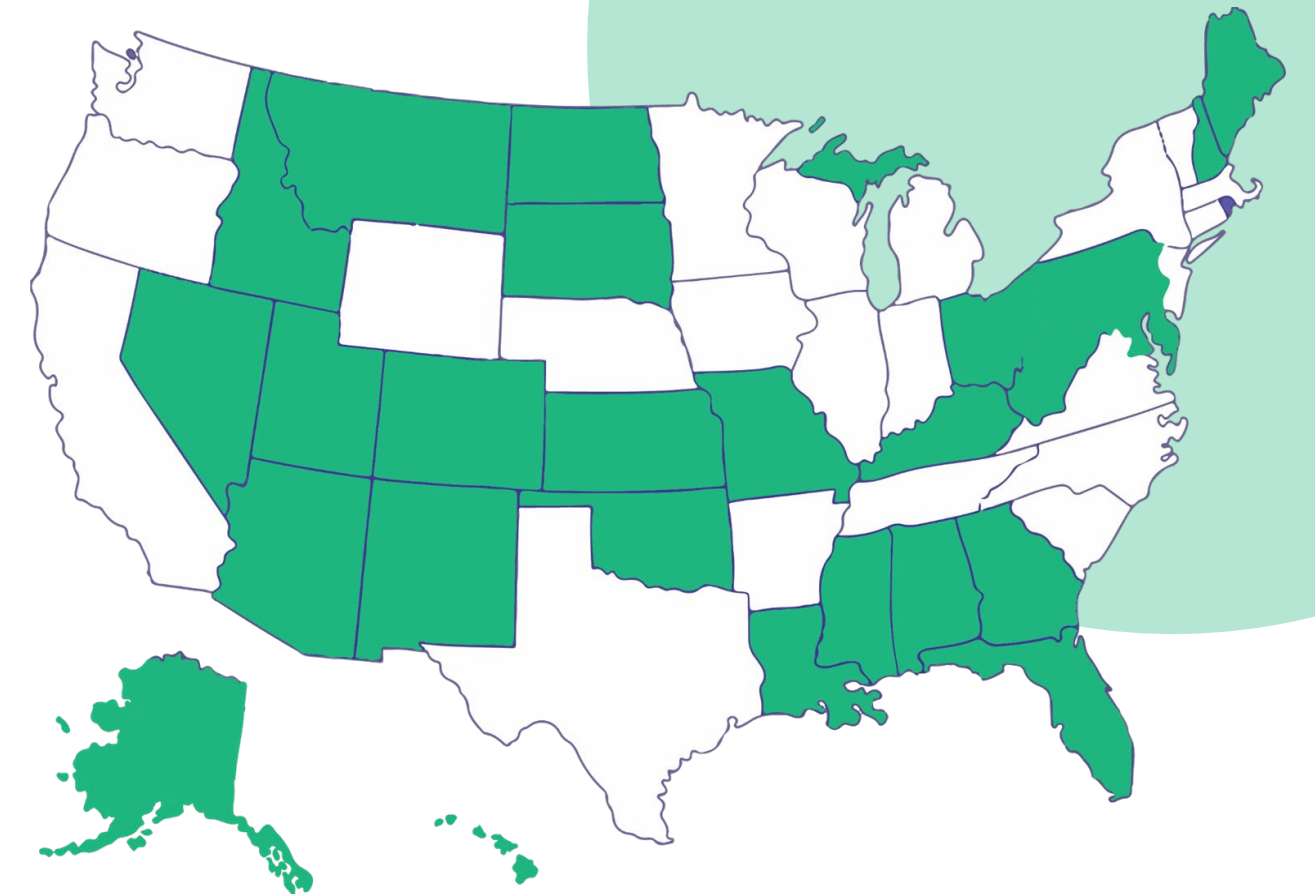

- **Meets users where they are, adapts to support needs**
- **Builds an ecosystem: credit unions, employers, agencies, providers**
- **Not a content platform—action-focused and outcome-driven**

Traction: Partners & Support

Broad reach into the disability community & financial ecosystem through partnerships with Credit Unions, Community Banks, Corporations Government Agencies and Advocacy agencies,
